

OTP & Login Page: (refer dribbble page if necessary for any design ideas)

Dashboard:

Grand test or previous year papers:

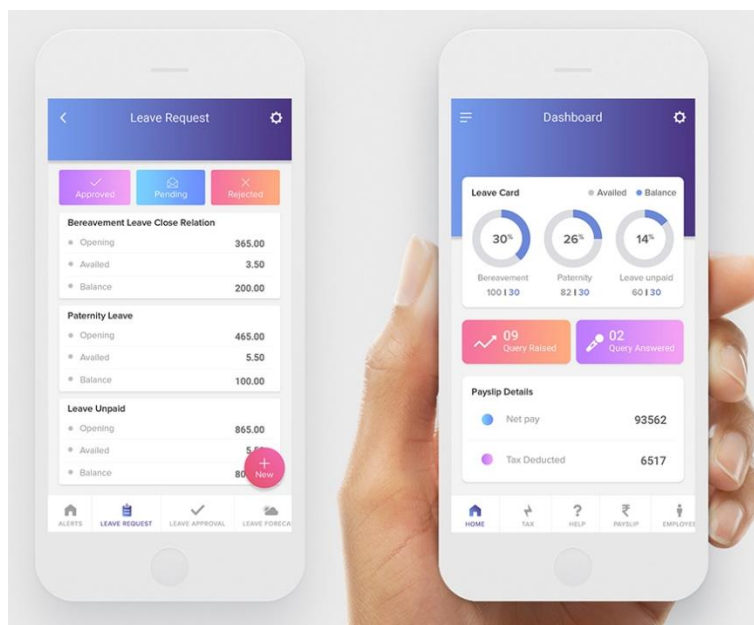

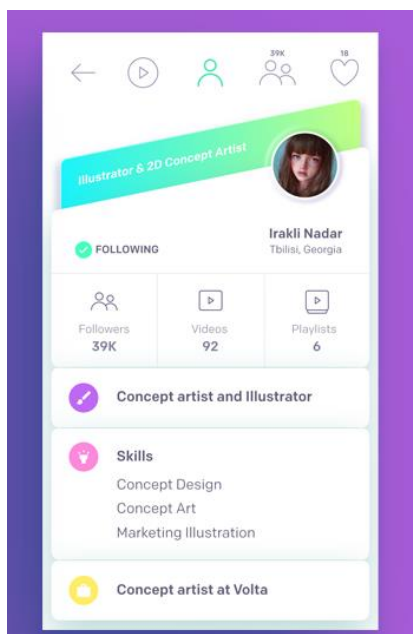

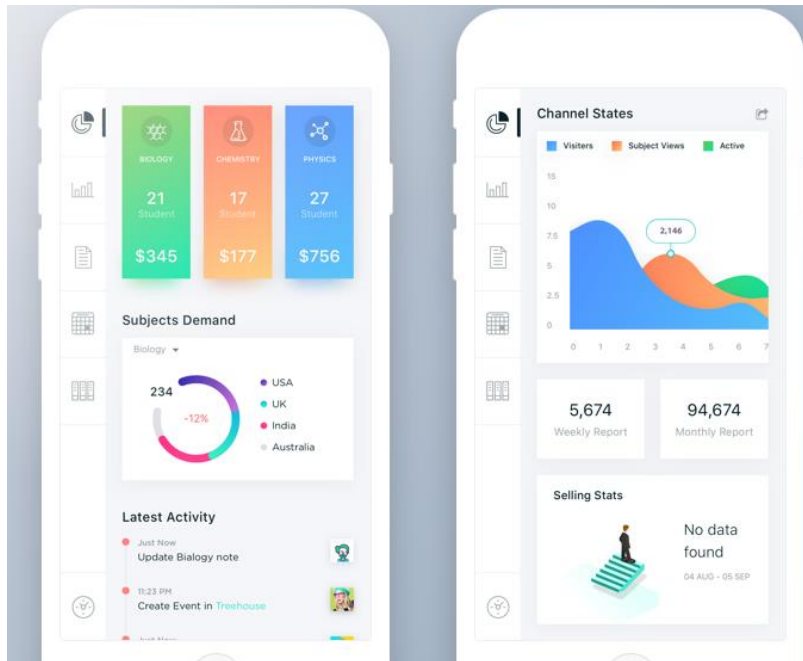

in the place of circle – place marks/Rank/percentile scored by the child – if the test is not attempted/locked, show the relevant icon in that circle

Test Panel:

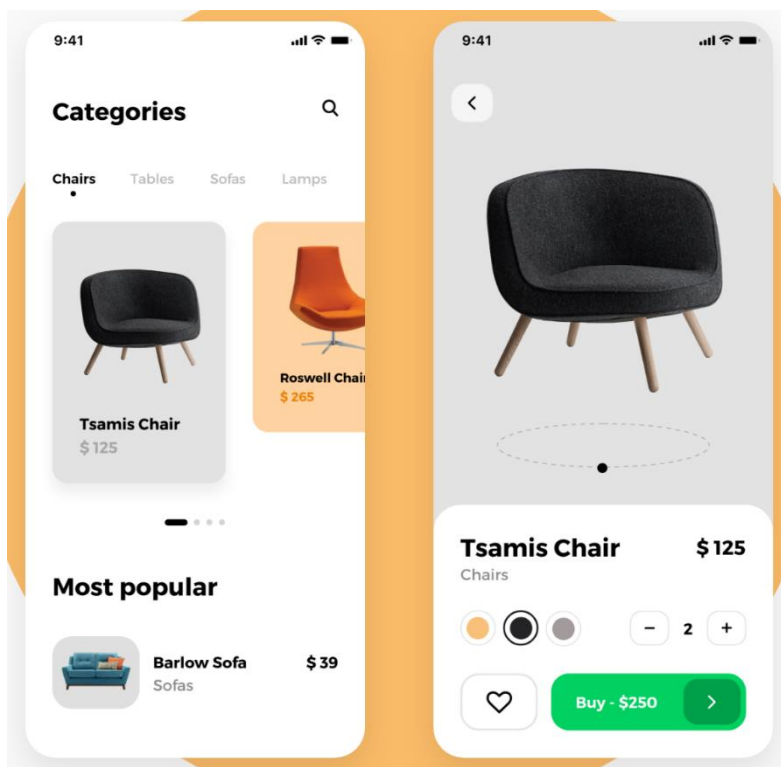

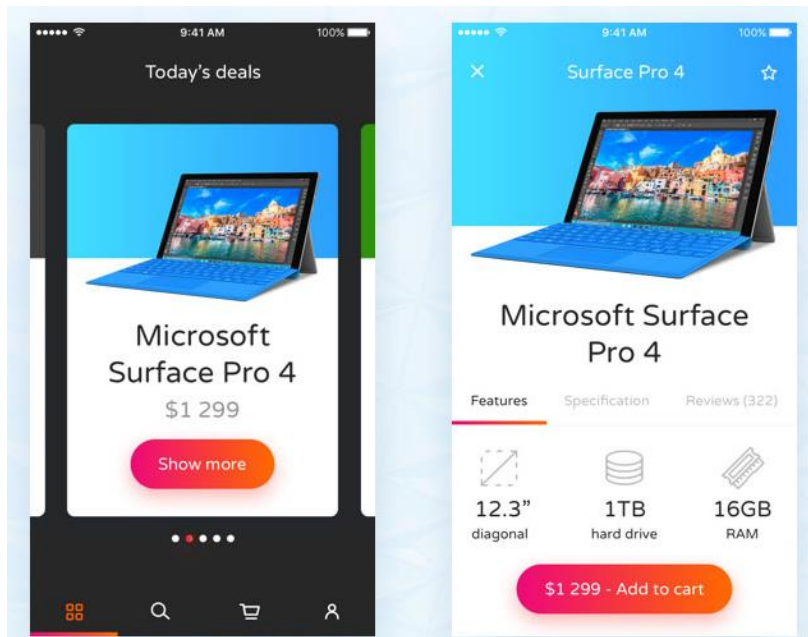

For test panel design for application refer Apps: JEE Ready or Toppr.

Reports: (Sample designs)

Reports basically consists of three sections – Score cards, Question analysis and Comparative analysis (only between the students they follow – only for grand and previous) for other tests there will be only two categories

Buy Packages: (Reference images)
