

① Animations Template

— We will create a template from Master admin Panel.

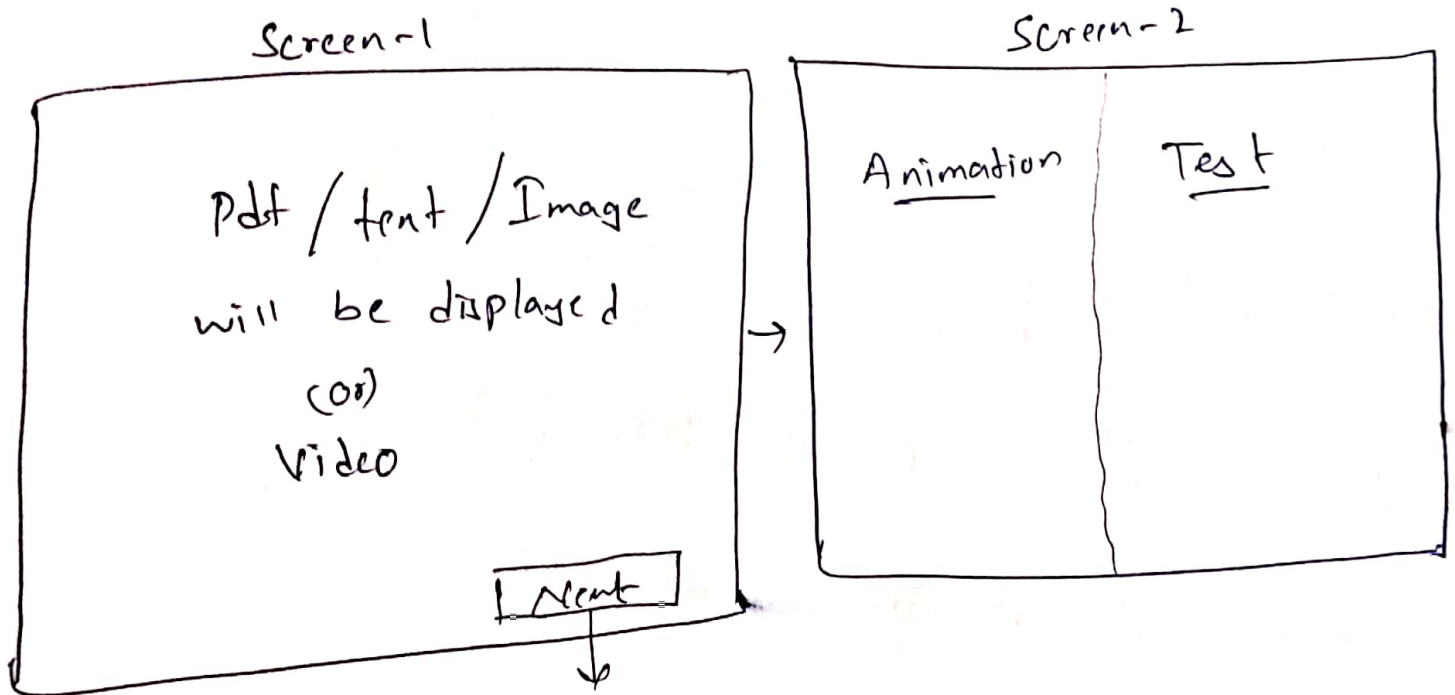

— It consists of a) text/Images/Pdf

b) Animation

d) Video.

c) test.

→ When user clicks on a specific ~~the~~ file.

When clicked on Next button
it should move to Next screen.

→ While creating a template if either of test (or) Pdf is only uploaded — then only Screen 2 should be visible.

Single screen

Animation

Test

(or)

PDF

Chemistry

14 Chapters

Animations Tests Notes

01 Some Basic Concepts of Chemistry

Classification of Matter- I

12 mins

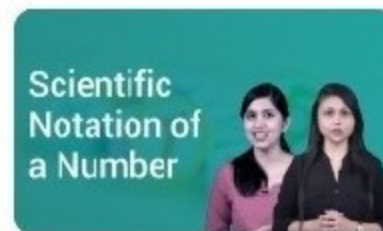

Unit and its Classification

12 mins

Physical Quantities and their measurements

15 mins

Scientific Notation of a Number

3 mins

02 Structure of Atom

Dalton's Atomic Theory

Discovery of Neutrons

Cathode rays experiment

J.J. Thomson experiment for determination of charge to mass ratio
